

Our Archaeology Day at School

Technical Language:

Excavate

To remove earth carefully.
To reveal or extract buried items.

Artefact

An object made by a human being,
typically one of cultural or
historical interest.

Fragment

A small part broken off or
separated from something

What we did:

- * Excavated
- * Sieved
- * Cleaned
- * Measured
- * Weighed
- * Sketched
- * Handled
